Meeting begins at 19:05.

New Business

Bond Eternal – Alonzo Cash and Ray Ackley

- Look into possible Bond Eternal Ceremony for Brothers Alonzo Cash and Ray Ackley, Trevor McDermott, Sean Pennington, Pavan Potluri, and Kareem Sabek

HK Active-to-Alumni Induction Ceremony

- Any brother who was active in the chapter when it was closed is automatically alumni upon graduation. No need for any special paperwork, etc.
- Get alumni sashes before commencement. Jason S. can order for us and Quanzelle has experience ordering some recently. See <https://www.somethinggreek.com/products/1-delta-sigma-phi-printed-budget-graduation-stole-cad>.

WMU Actives Event

- 03/26 @ Revel and Roll West in K'zoo – Starts 1pm
- This is a good destination event for brothers that aren't local.
- WMU was restarted and I^T and HK can use them as a template for starting back up.

DA³ Happy Hours – Monthly Activity

- Each month the activity will be held in a different location. Peak awesomeness will be achieved when Taylortucky is the host city.
- If possible, look for brother-owned places. The Red Ox Tavern in Auburn Hills close to OU would a good place to meet.

Paintball

- Pinkney has a pretty good facility.
- "Hell's Survivors"
- Target date, sometime in May or June, with May being more preferred.
- More will be discussed during the April meeting.

Sailor's Pub Crawl Redux

- The '21 pub crawl was a success. It'd be great to have more of these!
- Possibly have it in Hamtramck again.
- Would it be good to have one in June and one in August?
- More of the scheduling will be discussed during the April meeting.

Professional Networking Event

- Nothing planned yet.
- It would help to use social events to build up the excitement for these events.

Philanthropy

- A trivia event could be a possibility
 - A percentage of the proceeds will go to a nonprofit.

- A Star Wars themed trivia night would be fantastic.
- Quanzelle will get something together before the meeting in April.
- If a Star Wars trivia night is chosen, look at having it on Star Wars Day (May the Fourth).

Pictures and Videos of DA³ Events Wanted

- Is there any drone footage from events available? WMU has done some pretty cool stuff with drones. Matt S. from WMU might be a good resource for this.

Future DA³ E-board

- Mike will be stepping down as president this year after serving well for a number of years. He'll likely continue on as an advisor.
- President will be Brendan.
- In a few months, the e-board will discuss the elections, who's running, etc.

DA³ Annual Report

- Mike will be putting the '21-'22 annual report together.

Golf Outing

- Given the size and complexity of the event, if we're to put on together for this year, planning needs to start ASAP.
- Things to consider:
 - It needs to be affordable.
 - It needs to offer things for non-golfers to do.
 - It needs to take the current situation RE: covid into consideration.
- Other DA³ events need to pump up the golf outing. This can be a huge event and the more publicity and excitement we can generate, the better it'll be.
- Rick and Justin will get the ball rolling. They'll need help from others in the DA³ to set up things, drum up interest, etc.
- Mike will reach out to Michigan-based ACBs to help get the word out.
- We need to look for someone who does video editing, ΔΣΦ brother is preferred.

Meeting ended at 20:18, followed by the Triangle. Next meeting is Monday, 04/04 at 19:00.
